PANJAB UNIVERSITY

Panjab University has a long tradition of pursuing excellence in teaching and research in science and technology, humanities, social sciences, performing arts and sports. The University supports excellence and innovation in academic programmes, research, scholarship and teaching. For more than a century, it has served various societal needs with distinction. The Indian Council of Social Science Research has set-up its North-Western Regional Centre on the Panjab University Campus. The Centre runs a library, a seminar complex and a guesthouse for visiting scholars under its study-grants programme.

DEPARTMENT OF CHEMISTRY

Founded by Dr. S.S. Bhatnagar at Lahore in 1925, the department of Chemistry is one of the prestigious departments of Panjab University. Several faculty members are recipients of coveted awards such as Shanti Swarup Bhatnagar award, Jawaharlal Nehru fellowship, Raman and Palit awards. Many faculty members are bestowed with F.N.A., F.A.Sc., F.N.A.Sc., The department has been selected by the UGC first for COSIST and Special Assistance Programme (SAP) and it is the Centre for Advanced Studies in Chemistry (CAS) for the last 16 years. The Department of Science and Technology (DST), Government of India has accorded it the status of "DST-FIST Supported Department". Its library is perhaps one of the best in Northern India with its excellent collection of books, research journals and monographs. The department is well-known for its research activities and has very well equipped research laboratories including state of the art Central Instrumentation Laboratory (CIL).

ABOUT THE SYMPOSIUM

The department has been holding NATIONAL ANNUAL SYMPOSIUM for more than 25 years. The symposium was named as RAM CHAND PAUL NATIONAL ANNUAL SYMPOSIUM in year 2005 in the fond memory of our worthy ex-Vice Chancellor Prof. Ram Chand Paul.

OBJECTIVES

The objective of the two day symposium is to provide a common platform for those who are in search of current trends, new ideas, and aspirations in the field of Chemical sciences. This symposium will focus on all the fields of Chemical Sciences:

- ❖ Electrochemistry/Green Chemistry/Ionic Liquids
- ❖ Inorganic / Organometallic Chemistry
- ❖ Sensing/Nanochemistry
- ❖ Organic Chemistry/ Medicinal Chemistry
- ❖ Polymers/Colloidal and Biophysical Chemistry
- ❖ Physical/Theoretical/Analytical Chemistry

The scientific sessions provide a podium for presentation of invited lectures by distinguished scientists from India. The event has been planned in such a manner that the scientific sessions would include lectures by distinguished scientist from Chemical Sciences and this would provide students, research scholars and faculty a platform to learn and share their research findings with eminent scientist in the field.

The research paper presentations by young research fellows provide them opportunity to express their views and scientific work. Prof. Ram Chand Paul Puraskar (comprised of Rs.1000/-) is awarded to three outstanding Young Research Fellows (with two years of research experience) presenting their research findings in the form of posters in different disciplines of Chemistry. Three more awards of Rs. 500 each are given for posters from amongst the research students of this department.

SCIENTIFIC PROGRAMME

The conference will begin on **24 February, 2017** with an inaugural function. The technical sessions will comprise of invited lectures, oral presentations and poster sessions. All aspects of emerging areas in chemistry will form the part of the scientific sessions.

REGISTRATION

All the participants are requested to register well in advance to help us in making arrangements efficiently. The registration would entitle entry into all scientific sessions, poster sessions, and other events. This will also include symposium material, session lunch and tea.

Registration fee for the participants would be as follows:

Category	Amount (Before 10 th Feb. 2017)	Amount (After 10 th Feb. 2017)
Industry	3000	3500
Delegates/ Faculty	1500	2000
Research Scholars	1000	1200
Students	500	750
Foreign Delegates	US \$ 200	US \$ 250
Stall exhibition	20000	25000

Accompanying persons: Rs 1000 per person (\$ 100 for foreign delegates).

All payments should be made in cash or sent in the form of a Demand Draft drawn in favor of Chairman, Department of Chemistry, payable at Chandigarh latest by **10th February 2017**, along with duly filled registration form.

ACCOMMODATION

The participants may be provided accommodation in guest/faculty houses (available in the campus) /hostel on first cum first basis. Arrangements will be made only after receiving the duly filled accommodation form along with the accommodation fee { Rs. 1200 (Delegates)/ Rs. 800 (Research scholar/ students)}. The tariffs of ordinary hotels at Chandigarh range from Rs. 1000-3000 per day per room.

ABSTRACTS

Abstracts of paper are invited from delegates for poster and oral presentation. Abstract should carry the title of paper (in Caps), names and affiliation of authors (in Italics). Name of presenting author should be underlined. The abstract should not exceed 250 words and be typed on A4 page. Abstract may be submitted to **rcpaul2017@gmail.com** latest by **10th February 2017**.
