

# Workshop on Mass Spectrometry - 2018

**March 20-21, 2018**

We are pleased to announce that Sophisticated Analytical Instrumentation Facility (SAIF) is organizing two days training program in Mass Spectroscopy for Faculty/ research scholars / students. This workshop offers the participants an excellent opportunity to discuss & learn the advancement Liquid/Gas Chromatography & Mass Spectrometer with application experts from Agilent Innovations in Analytical technologies.

**Venue:** Seminar Hall, SAIF, Panjab University, Chandigarh

**Registration:** 10.00 am on March 20 , 2018

**Agenda (Day-1):** March 20<sup>th</sup> , 2018; Tuesday

- Introduction to Agilent Technologies
- Basics for Liquid Chromatography & Mass Spectrometry
- Different Type of LC and Mass Spectrometry Techniques
- New Innovations in this Technique
- Hands on Workshop after Lunch

**Agenda (Day-2):** March 21<sup>st</sup> , 2018; Wednesday

- Basics for Gas Chromatography & Mass Spectrometry
- Different Type of GC Chromatography & Mass Spectrometry Techniques
- New Innovations in this Technique
- Hands on Workshop after Lunch

**Registration fee :**

Rs 500/-	For Faculty and research scholars
Rs 250	For students
Last date for registration: March 19 <sup>th</sup> , 2018
